

Using Nature Essences in Your Practice

Sunday June 5th 1:00pm to 5:30 pm
Boulder, Co

Noella Roselena, Creatrix of Nature Synergy Essences, will be sharing how to integrate essences into your healing practice. You will learn:

- What is a Nature Synergy Essence?
- The Difference between Essences and Essential oils
- Proper use of Essential Oils and their healing properties
- How to integrate Essential oils into your practice
- Origin of Synergy Essences: History of Flower Essences
- How Essences work in our energetic body
- The 13 chakras and heightened awareness of our energetic body
- Essences that can assist in major transitions and passages of life
- Knowledge on how to administer essences
- Deepen self-awareness and how to assist others in healing

Course will also include some essences to take home, so that you can begin using them in your practice.

To encourage people to join the experience and enrich their practices, this is a **ONE TIME SPECIAL** given to you at a sliding scale admission: starting at \$75. (Valued at \$175)

To register, Contact Kendra Current: kendra@kendracurrent.com
You will receive location information upon registration.
